OLEVSON SELLS LEASE TO CHELSEA LUNCH
The Olevson Co., which has been in business in this city for several years past in the Somers building on Franklin square has sold its lease of that store to the Chelsea Lunch, which now occupies the adjoining store. The sale was made through John A. Moran, real estate broker. The Olevson Co. will retire from business in this city, while the Chelsea Lunch will use the store for a high class bakery and ladies' dining room and will also develop a high class catering business. Changes will be made to connect the new place with the Chelsea Lunch so that the kitchen can be used. The Olevson Co. will be out of the store by November 1st when the Chelsea Lunch will take possession.
